Indian Restaurant in New York city

Introduction

New York city is one of the business hub of the world. The city is home for hundreds of thousands from around the globe. It has been a center for business and economic growth of USA. New York is also the melting point of various cultures, dishes and cuisines.

people of the city come to have food and drinks for a cost and various entertainments depending on their cultural and other aspects.

Through our project, we are trying to help the business people who would have interest in starting a new Indian restaurant in New York city as well as people who have a craze in Indian cusine.

Our aim is to locate the best Indian restaurant running among the various neighborhoods of the city.

Collecting Data

We have to collect the required data from different sources like details of neighborhoods from government provide sites, the location of Indian restaurants from Foursquare etc.

The data set https://cocl.us/new_york_dataset will give us the required data about the New York city locations.

We can use Forsquare to locate the venues of each restaurant.

Methodology

the required data will be collected from the above given data set and venues of the restaurants will be located by Forsquare. The data collected for the

Forsquare will be sorted according to the ratings of each restaurant. We will use charts for finding the New York city borough which contains Indian restaurants and the neighborhood where the most number of restaurants are located.

Result

We found that there are 34 Indian restaurants in New York city where as the borough Manhatten has the highest in number, 12.

Out of these 34 restaurants, Dosa Royale, the restaurant located in Fort Greene neighborhood in Brooklyn is the most liked and highest rated Indian restaurant.

Discussion

There are notable number if Indian restaurants in New York city. Even though there are enough room for a new state of art Indian restaurant. People who wish to start a new restaurant can definitely go with their project.

Conclusion

New York city is the home for people hailing from various parts of the world. The city joins hands with cultures, ethnicities, tastes and choices. We can enjoy variety of foods from different parts of the world here. So as Indian also. If you wish to have Indian food or you are planning to start a restaurant, New York city comes first in the row.
